ur fundraising effort for the new Assisted Living and Wellness Centers has gone well. Like most current capital campaigns in Tulsa, our project has been confronted with an increased estimate of construction costs. We began our quiet phase of fundraising in April 2006 with an estimated project cost of $15 million. After seeing the impact of increased cost on Tulsa’s BOK Center, we raised our construction estimate and fundraising goal to $17.5 million in June 2006. By May 2007, we had commitments for $16 million of the $17.5 million goal. In June 2007, we were surprised by a new estimated construction cost of $21.6 million. We were very fortunate in securing commitments for the first $16 million raised, and we continued to have good support for meeting this new challenge. We returned to our 12 largest donors and asked them to consider additional support for our Saint Simeon’s project. We are pleased to report that all our lead donors agreed to commit to an additional $5.05 million.

Recap of our Saint Simeon’s Capital Campaign:

- July 2007 estimate of total cost: $21,600,000
- Committed to date through original pledges: $16,045,000
- Additional firm commitments by lead donors: $5,045,000
- Western Days: $325,000
- Amount remaining to fully fund: $185,000

Thanks to the generous support of our donors and attendees for the Western Days Event, $325,000 was added to our funds raised. At this time, we are $185,000 away from meeting our fundraising goal and paying for the new Assisted and Wellness Centers Project solely from contributions. While we are still awaiting responses from several potential donors, we believe total success is within our grasp.

We are most grateful to a robust and energetic Capital Campaign Cabinet, to our Trustees of the Home and Foundation, to Steve Mason, Brenda Read and Karen Garren of Saint Simeon’s Staff and to our many, many generous contributors to the Capital Campaign. Our project completion date continues to be 1 April 2009.
appropriate setting for this announcement. She praised Saint Simeon’s and the donors for this expansion project and the generosity of the citizens of Tulsa when needs arise.

After a wonderful lunch Capital Campaign Co-Chair, George Dotson, introduced the Campaign Cabinet Honorary Co-Chairs: Malcolm and Pat Deisenroth, Mary Ann Hille and Maggie Hille Yar; and recognized all of the Campaign Cabinet members. Dotson unveiled the beautiful architectural plans and explained the research, planning and details of the expansion project. In introducing the featured speaker, Dotson noted that Scott Pelley, an award winning CBS 60 Minutes correspondent, has covered many historical events and that it is an honor to have him at such an important event in the history of Saint Simeon’s.

Scott Pelley, son-in-law of our beloved Residents, Dr. Reece and Ruth Boone, began his remarks by noting that the city of Tulsa is very fortunate to have a world class museum like Gilcrease. He commended Saint Simeon’s for positioning itself once again to address the needs of the future stating that, “In the next 40 years the number of people in this country over the age of 65 will double and in that same period of time the number of people over the age of 85 will quadruple.” He added that by expanding its campus and its services Saint Simeon’s will be able to provide a loving and caring facility to meet the needs of this growing population. Pelley expressed thanks for the quality care that Saint Simeon’s has provided his wife Jane’s parents. He praised the Campaign Leadership and noted, “I have never been to an event where 85 percent of the funding had already been pledged!” Phyllis Dotson announced that this year Saint Simeon’s Annual Western Days on September 24th will be the “Oil Patch Party of the Century” with Ann Shannon Cassidy serving as event chairman. All proceeds from Western Days will help reach the goal for the expansion project.

Phyllis thanked the following for assisting with the luncheon: The Chalkboard, Novia Stice; Class Act Party Rental, Trey Abraham; Exquisite Valet Parking, Joel Reyes; and Debbie & John Favell. She also noted that the centerpieces created by Toni’s Flowers & Gifts would be delivered to the Home for the resident dining rooms.

Gifts of thanks were presented to Scott Pelley and his wife, Jane, and her parents on behalf of Saint Simeon’s. Sharon King Davis, OK Centennial Kick-off Chair, presented the Pelleys with OK Centennial gifts. Davis observed that during this OK Centennial Year the citizens of Tulsa are fortunate to have a project such as the Saint Simeon’s expansion. Among the guests were Dr. Reece & Ruth Boone, residents of Saint Simeon’s, and three generations of the Boone family including Scott & Jane Pelley; Sharon King Davis; Malcolm & Pat Deisenroth; Walt & Peggy Helmerich; Joe Hull, Trustee of the Albert and Hete Barthelmes Foundation; Donne Pitman, Trustee of the The Mary K. Chapman Foundation; and Tom Raines, Manager of the Oxley Foundation.

Groundbreaking Celebration

Lindsay Huey Fick, President/CEO of Saint Simeon’s welcomed everyone who was assembled under a huge tent for the groundbreaking that was held along with the Annual Auxiliary Ice Cream Social.

The Rev. Bill Holly, Saint Simeon’s Chaplain, offered the blessing which was followed by remarks from Frank Eby, Saint Simeon’s Foundation Board President. Eby noted, “To help commemorate this historic ground breaking event, Mayor Kathy Taylor has proclaimed June 28, 2007, as “Saint Simeon’s Day” in the City of Tulsa. In addition, Governor Brad Henry has presented a ‘Governor’s Commendation’ in which he writes, “Please accept my appreciation for your past efforts and best wishes for your plans to better serve the aging with your new Assisted Living and Wellness Center.”

Stephen Lake, Saint Simeon’s Home Board Chairman, recognized George and Phyllis Dotson for their leadership and personal time commitment in helping develop the design for the Home’s new addition, as well as their service as Co-Chairs for the Our Next Chapter: Building with Love Capital Campaign. Lake noted, “Their commitment to the Residents is inspirational to all of us and we would not be in a position to begin this project without their incredible efforts.”

Phyllis Dotson welcomed everyone stating that, “This is a wonderful evening for Saint Simeon’s, for the city of Tulsa, and for the state of Oklahoma as we celebrate the centennial year with our Residents. She noted that fifteen years ago Saint Simeon’s broke ground for the Alzheimer’s (Memory) Center, and that this groundbreaking event felt more like a family reunion; and said, “We have the best family - our wonderful Residents, committed Staff, dedicated Trustees, devoted Auxiliary and a host of very generous donors and friends who all contribute by making each day the best living experience possible for the Residents.”

George Dotson presented an overview of the project and recognized the Capital Campaign Cabinet for their time and effort in helping ensure the success of the fundraising efforts. He introduced and thanked representatives from both Matrix Architects Engineers Planners, Inc., who provided the design for the project, and Flintco, Inc. who is serving as the construction manager for the project.

Dotson then thanked each of the major donors to the campaign and invited each in attendance to come forward for the official groundbreaking ceremony. The lead donors donning the construction hard hats and wielding the gold shovels included Mary Ann Hille, Hille Foundation; Malcolm and Pat Deisenroth; Donne Pitman, The Mary K. Chapman Foundation; Jack Conway, The J.E. and L.E. Mabee Foundation, Inc.; William Smith, Sherman E. Smith Family Charitable Foundation and the William S. Smith Charitable Trust; Lucien Rouse, C. W. Titus Foundation; Hank Harbaugh, Oxley Foundation; and Henry Zarrow, The Anne and Henry Zarrow Foundation.

Members of the Saint Simeon’s Home Board of Trustees and Foundation Board of Trustees
We are excited to announce that bulldozers have cleared a path for our new east drive that will serve as the construction traffic road for our exciting Our Next Chapter: Building with Love! capital expansion project. The project has officially begun, and our Home on the hill is undergoing another major transformation to benefit the Residents of Saint Simeon’s.

The road bed has been graded and dirt from the top of the hill has been removed by the truckload. This phase has opened a magnificent view of downtown Tulsa from our hill!

The model apartments are being constructed at the entrance to the Home. These mock-ups of the new Assisted Living apartments will be ready for viewing in early 2008. This will give current residents an opportunity to make choices for their new apartments and give prospective residents a chance to see what to expect. The architects and construction managers will be looking at resident input in making any final adjustments to the planned finish-outs.

For further information about the Capital Campaign Project, Our Next Chapter: Building with Love, contact Stephen Mason, Executive Director, Saint Simeon’s Foundation; 425-3583 ext. 237 or smason@saintsimeons.org.

Commemorative Trees are Special for Saint Simeon's Residents

The ice cream parlor. You can see it outside. The apple tree is still living in the orchard in Ohio. The tree still has great significance for the tribe and homeland fires in Alabama were distributed around the oak. The tree still has great significance for the tribe and a ceremony is held there each year. Our little elm found a home here because of a wish from Ruth Staudt through our Tree of Dreams Program. The Council Oak was recently selected as an official "Witness Tree" as part of the state's centennial celebration. Look for it in the Gazebo Courtyard.

You are interested in planting an historic tree, go to www.historictrees.org and "visit" their catalog. You will find all kinds of trees from George Washington's Tulip Poplar to Elvis Presley's Pin Oak!
 Residents and employees of Saint Simeon’s have teamed up to work on some special projects to bring love and joy to others. The Residents are members of the Stich In Time sewing group, who have been working on several different projects. One of their latest efforts has been for some special “little ones.” Beautiful christening dresses and bonnets were made and donated to Madonna House.

Madonna House is a ministry of Catholic Charities of the Diocese of Tulsa and is a residence which serves women who are pregnant and in distress.

In September with the help of Teresa Reno, Life Enrichment, the ladies created a beautiful banner for display at the consecration of the new bishop for the Episcopal Diocese of Oklahoma. The Rt. Rev. Dr. Edward J. Konieczny, who was consecrated on September 15, will also serve as the Honorary Chairman of the Saint Simeon’s Episcopal Home Board of Trustees.

Another project was making baby blankets. Employees, Stella Reynolds (Resident Services) and Kum Yon Jones (CNA Health Care Center), helped make the blankets with hand-stitching to finish the edges. The blankets were made for Mary Dotson (Lifetime Auxiliary Member), who will be sending them to the Ukraine. Mary shares the story of the blankets:

“I have an American friend who lives outside of Kiev and whose full time volunteer work involves distributing goods sent by Americans to Ukrainian orphans. I also know an obstetrician there, and many of her patients are from the villages. These mothers are always in need of baby clothing.

I had the material and thread for the baby blankets and asked resident, Marie Millar, if she knew someone who would know how to crochet around the edges. (I wanted the blankets to be pretty!) The next thing I knew I had beautiful receiving blankets with the edges crocheted by Kum Yon and Stella. Not only had they used the cloth I brought them, but they bought more cloth and thread. Each blanket is so pretty and so special. I am so happy and proud of their work.”

Last August Kim Gates, Certified Nurse Assistant (CNA) in the Health Care Center, marked a very special milestone - thirty years of service at Saint Simeon’s! As Employee Star of the Month, Kim was featured in “Getting to Know...” in the November Quill of the Hill which noted, “In this day and age when people change jobs every few years, Kim is a member of the old school that values commitment to their employer and, in turn, Saint Simeon’s values her.

Kim is a native of Korea and grew up as the oldest of eight children. After graduating from high school, she worked in a beauty shop and hoped that someday she might be able to own her own business. But that changed when she met Steve Gates at the nearby U.S. Army Base. She became his wife and came to the United States in 1975.

Kim found out about Saint Simeon’s from a friend of one of her sons whose mother worked here.

Kim came looking for a job in the Beauty Shop since that had been her training. There was no job there, but the Director of Nursing (Mrs. Gore at that time,) encouraged Kim to consider becoming a Nurse Assistant. When Kim said, “I know nothing at all about nursing!” Mrs. Gore told her that she already had the best training of all. “You are the mother of three children and in the same way that you show patience and love to your children, that is what nurse assistants do with the residents in their care. Everything else you can learn!”

Today Kim’s sons are grown, and she and her husband have two granddaughters. Kim stated in the Quill, “Someday I would like to write a book about the story of my life. There are so many things I want to say.” Fortunately for all the residents she has cared for all these years here, Saint Simeon’s will be an important part of her story!
Saint Simeon’s Foundation’s 11th Annual Western Days - “The Old Patch Party of the Century” was a tremendous evening! The event proved to be both bigger and better than ever with over 550 friends, family and residents of Saint Simeon’s Episcopal Home enjoying the celebration on the beautiful grounds of the Home - the site of the future Assisted Living and Wellness Centers - with a spectacular view of downtown Tulsa.

Lindsay Hurley Fick, President/CEO of Saint Simeon’s welcomed the crowd and expressed her thanks to each guest present for helping the Foundation exceed this year’s event goal of $300,000. The generosity of sponsors, in-kind donors and the guests in attendance allowed Saint Simeon’s Foundation to raise record net proceeds in excess of $328,000, which will go to fund furnishings and equipment for the new Assisted Living and Wellness Centers at Saint Simeon’s.

Jim Furman, Vice President of Saint Simeon’s Foundation Board of Trustees, introduced George and Phyllis Dotson and thanked them on behalf of the Trustees for their leadership and their service as Co-Chairs for the One Next Chapter: Building with Love! Capital Campaign.

Phyllis Dotson shared the previous “chapters” of Saint Simeon’s history since its beginning in 1960 with a slide show of trustees and donors over the past 47 years. Many in the crowd were recognized for their ongoing support since the very beginning of the Home. After a brief presentation describing the new project, George Dotson announced that $20 MM of the $21.6 MM goal has been reached. He recognized the Capital Campaign Cabinet for helping ensure the success of the fundraising efforts to date.

Stephen Mason, Executive Director of Saint Simeon’s Foundation Board, recognized Ann Shannon Cassidy, Event Chair, and Cathy Mayo Moore, Patron Chair, and thanked both for their wonderful work and leadership in making the event such a huge success.

Cassidy expressed gratitude to the Underwriting and Presenting Sponsors, all of the donors, and the in-kind contributors. She credited the success of the evening to the hard work of the Advisory Committee, Patron Committee, and Steering Committee which included more than 75 volunteers and staff who planned and organized the fundraiser.

Stephen Lake, Chairman of Saint Simeon’s Episcopal Home Board of Trustees, recognized the efforts of the Foundation and Auxiliary for support of the Home and recognized Lindsay Hurley Fick and the Home staff and all they do in support of the residents and families at the Home and at Adult Day Services.

George and Phyllis Dotson introduced Bob and Millie Millspaugh, Honorary Chairs for Western Days, who happened to be celebrating their 57th wedding anniversary! The event program included tribute quotes from several friends of the Millspaughs with a special tribute from their son, Clark Millspaugh, on behalf of their family. He noted, “They have been blessed their whole lives to share a passion for the church, their family, travel and friends.” A special musical tribute to Bob and Millie to the tune of “Down by the Old Mill Stream” with lyrics written by Chris Smith, Life Enrichment Director, was performed by Chris, Karen Standhope (Admissions Director), Steve Mason (Foundation Executive Director) and Fr. Bill Holly (Chaplain). The Dotsons announced a donation from Saint Simeon’s Foundation to the Resident Benevolent Fund as tribute to the Millspaughs for their many years of generous support and loving service to the Home. Bob served on the Home Board from 1987 to 2004, was Building Committee Chairman during the Memory Center construction, and is currently serving as a Trustee for the Saint Simeon’s Foundation. Both Bob and Millie are members of the Capital Campaign Cabinet for One Next Chapter: Building with Love!

Before enjoying the delicious, “Oklahoman Centennial Blue Plate” dinner catered by Freddie’s Bar-b-Que and Steakhouse of Sapulpa, guests had an opportunity to bid on over 100 wonderful silent auction items which included everything from restaurant gift certificates to a Hasty Bake grill. This year’s silent auction items were gathered by hard working volunteers on the Steering Committee.

A perennial favorite at Western Days is the “General Store” where guests may purchase homemade treats, such as pies, bread, cakes, cookies, cinnamon rolls, as well as crafts made and donated by the Saint Simeon’s staff members. This year their efforts raised a record amount - over $1,900.

Guests were also able to make special donations as memorials or tributes through “Heart to the Home” that will benefit participants at Adult Day Services and residents of the Home with funds for outings, entertainment, animal therapy and the Ice Cream Parade. After dinner, Tommy Williams of Williams & Williams Auctioneers led a lively auction of more than twenty fabulous offerings. Resident and centenarian, Gertrude Hesler, donated four of her oil paintings for the auction. Gertrude describes herself as the “Grandma Moses” of Saint Simeon’s. Some of the other offerings were a registered Cocker Spaniel puppy; one-week stays at beautiful homes in Tulsa, NM, Crested Butte, CO and Venice, FL; a PGA Southern Hills yardage book signed by Tiger Woods; lunch with Mayor Kathy Taylor; and a Unica Square Shopping Spree that included a David Yurman bracelet donated by Bruce G. Weber. The live auction alone raised $46,000! Plans are already underway for Western Days 2008. We are thrilled that Ann Shannon Cassidy has agreed to be the Event Chair again next year. She is already busy organizing committees for the biggest and best Western Days ever!

Saint Simeon’s Foundation is pleased to announce that Western Days 2008 will honor the Flint Family - Joan and the late Bill Flint, who served 15 years as a member of Saint Simeon’s Board of Trustees, with their children, Robin, Patty, Charles and Boofy - for their wonderful, loving support of Saint Simeon’s and the Tulsa community.

Thank you to all of you who choose to contribute to Saint Simeon’s. Your generous donations are so important in our efforts to provide outstanding care and services for the residents of the Home and Adult Day Services participants.

The Saint Simeon’s donors highlighted below gave to the Home and Foundation from February 1, 2007 through September 30, 2007. Contributor names are listed under the specific fund category as designated by the donor. Previous honored with memorial or tribute gifts may be listed under more than one fund category, subject to the designation by the respective donors.

Please call Stephen Mason at (918) 425-3583, ext. 237 if you have any questions or if a donation has not been properly noted.

We want to recognize each of our wonderful friends and supporters.

Other Generous Donations Received from February 1, 2007 though September 30, 2007

(We appreciate all donations including corporate matching gifts.)
The Auxiliary hosted the Annual Oktoberfest Fall Cookout. The weather was perfect for the event which was held on the City View Patio. In addition to wonderful German food, there was lively German music and of course, “chicken dancing!” All Residents, family members and friends of Saint Simeon’s are welcome to join the Auxiliary. For membership information contact Karen Garren at 794-1945.

In October, the Life Enrichment Department had a wonderful Red Hat Tea & Fashion Show for the Residents, families and friends of Saint Simeon’s. Each table was beautifully decorated with a different theme and wonderful refreshments were served. Models for the Fashion Show included Residents, Greta Heslet, Mary Mendoza, Ruth Boone, and Vivian Lasitter, as well as staff members Teresa Reno and Jean Hunter. Fashions were provided by Zella’s Boutique at The Plaza.
